

2020 AYWO-AAU AL KIDS DUALS

November 7, 2020

Cornerstone Christian School

24975 AL-25, Columbiana, AL 35051

Wrestlers must have an AAU Card and pre-registration is required (link below). Registration will be first come – first serve, with a cap of 120 wrestlers. There will be NO manual registrations allowed on tournament day. Tournament fee is paid online and includes a T-shirt. This tournament is a Duals based format, meaning that wrestlers will be randomly assigned to a team; wrestlers will compete on assigned team against other teams created from the registrants for this tournament. This is an excellent opportunity for new wrestlers to meet others from across the state and experience wrestling in a laid-back, fun event before traditional tournaments begin. The focus is on wrestling etiquette, match format, and confidence building. Kid Duals is a great way to kick-off youth season for returning wrestlers with invaluable mat time. This tournament WILL count towards seeding for the Youth State Tournament so weigh-ins are required.
