You have the War Hammer, Rudis Sword, Shield and Helmet. The next item the Gladiator needs is their trident. This week's coliseum battle takes place in the waters of Daphne, AL. Come out to showcase your engrained wrestling skills that you have been working on since November.

This week the best of the best will be awarded with custom engraved Paddle/Trident to the Outstanding Wrestlers and Most Valuable Wrestler in each age division. The tridents are a useful offensive tool for Gladiators. The tridents were designed to take the attack the gladiator's opponent from a distance, aiding them in keeping out of sword range.
